NECESSITY.

DECISION NO. 72391

**ORDER**

Open Meeting  
May 24 and 25, 2011  
Phoenix, Arizona

**BY THE COMMISSION:**

Having considered the entire record herein and being fully advised in the premises, the Arizona Corporation Commission ("Commission") finds, concludes, and orders that:

**FINDINGS OF FACT**

1. On November 10, 2003, the Commission issued Decision No. 66520 which granted Telliss, LLC ("Telliss" or "Company") a Certificate of Convenience and Necessity ("CC&N") to provide resold interexchange telecommunications services in Arizona.

2. On May 8, 2009, Telliss filed with the Commission an application stating that TELLISS ceased operations on December 31, 2007, and requesting that its CC&N be cancelled.

3. On April 7, 2011, the Commission's Utilities Division ("Staff") filed a Staff Report in this matter recommending approval of Telliss' application to cancel its CC&N. According to the Staff Report, Staff has been unable to contact Telliss, however, Staff's investigation of Company filings indicates that the Company is not serving customers in Arizona.

4. According to the Commission's Consumer Services Section, zero complaints, inquiries, or opinions were filed against Telliss for the period January 1, 2008, through March 1, 2011.

5. The Commission's Compliance Section reports there are no current compliance delinquencies for Telliss, and that the Company is in good standing with the Corporations Division.

6. Staff states that the Company does not have a bond on file with the Commission.

7. Staff notes that there are numerous other entities offering competitive resold intrastate long distance telecommunications services in Arizona. Staff recommends cancelling Telliss' CC&N and waiving the published notice requirements of A.A.C. R-14-2-1107(A)(2). Staff also recommends cancelling Telliss' Arizona Tariff No. 1.

8. Staff's recommendations are reasonable.

## CONCLUSIONS OF LAW

1. Telliss is a public service corporation within the meaning of Article XV of the Arizona Constitution and A.R.S. §§ 40-281 and 40-282.

2. The Commission has jurisdiction over Telliss and the subject matter of the application to cancel the Company's CC&N.

3. The cancellation of Telliss' CC&N is in the public interest.

4. Staff's recommendations are reasonable and should be adopted.
